

## TURKS & CAICOS

international: 2 people / 3 nights

# 46

**Ambergris Cay: your island.** There is simply nowhere on earth both as relaxing and as breathtaking as **The Turks & Caicos Sporting Club at Ambergris Cay**, a private residential sporting community and equity membership club, developed by DPS TCI, Ltd. Ambergris Cay is an 1,100-acre private island. From its 450-acre nature preserve, sugar sand beaches and mangrove lagoons to high bluffs, historic ruins and soothing blue seas, Ambergris Cay is an adventurer's paradise and sanctuary, one of the last of its kind. Nearly 3.3 miles long by 1.5 miles wide and populated with indigenous iguanas, the island rises to 92 feet with eight miles of pristine oceanfront.

Your adventure begins with an **American Airlines** coach flight to **Providenciales** on Grand Turk Island where you will spend one night in an ocean-side condo; the next day, a complimentary private 30-minute flight to **Ambergris Cay** reveals a world of natural wonders, which you can explore by snorkeling unspoiled coral reefs, kayaking or bone fishing with the resident expert, all included. The island resort is managed by the **legendary Greenbrier Resort and Club**, so your every need is anticipated. During your two-night stay here, you'll enjoy exquisite complimentary gourmet dining at **Calico Jack Pavilion**, and you'll reside in beautifully appointed **luxury oceanfront Safari tents** handcrafted in Africa, and stocked with luxuries such as Oriental rugs, fine crystal and mahogany beds made up in Frette linens.
